1. <https://www.canada.ca/en/employment-social-development/programs/enabling-accessibility-fund.html>

Provides funding for projects that make Canadian communities and workplaces more accessible for persons with disabilities. EAF aims to create more opportunities for persons with disabilities to:

- take part in community activities, programs and services, or
- access employment

There are 3 different program components in EAF. Each component holds separate calls for funding. The eligibility criteria will be further defined during each funding process.

The community-based stream of the New Horizons for Seniors Program (NHSP) is a federal grant that supports community-based projects that are designed by seniors for seniors. This program funds projects that empower seniors in their communities and contribute to improving their health and well-being.

Eligible organizations can apply for up to \$25,000 for projects that are led by seniors and are volunteer based.
