A Message from your Curling NB President:

We are looking forward to the start of a great curling season in New Brunswick. Clubs have been busy putting in their ice and planning for this year's activities. There will be many Club, Regional and Provincial events happening this season as well as a few National ones. Fredericton will be hosting the 2024 Canadian Mixed Doubles, U Sports /University Championships and CCAA / College Championships March 12-22. As well, Moncton will play host to the Atlantic U 15 Rockfest March 28-30. Be sure to check our on-line calendar at curlingnb.com for a listing of 2023-24 Provincial and Club events.

This season started off in June with the Atlantic Future of Curling Symposium in Sackville with several NB Clubs represented. In August, the Centre for Curling Excellence held development camps at Curl Moncton, two NB teams attended Curling Canada's U25 Nextgen Classic in Edmonton and NB's Cameron Sallaj was awarded the Spirit of Sandra Scholarship. A Curling Ice Technician course was well attended in September, just in time for the start of the season, and 10 NB Coaches were recognized through our social media platform in celebration of National Coaches week. Thank you to all coaches in NB for your continued commitment to mentoring and developing our athletes.

October will kick off with CWC Hosting a High-Performance Camp Oct 6-8 which will include some very special guests and many of our Clubs will begin to hold their annual Bonspiels. In November there will be a Competition Coach Course in Woodstock and the first of our Provincial Events, the 2024 NB Mixed Doubles Championship will be held at CWC. The complete 2023-24 Provincial Events Schedule can be printed from the home page of our website at curlingnb.com. **Provincial Events Link**

Watch for your Curling NB Zone Director and other Board Members as they visit Clubs to present Provincial Championship Banners to last seasons winning teams. We had some wonderful athletes representing NB last year and we want to celebrate them.

I hope to see many of you around the ice this year. and remember to share your love of curling and help us grow our sport for everyone to enjoy!

Yours in curling

Gail Samaan, Curling NB President.
