Presidents Message

I am so pleased that our very own Catherine MacLean was awarded the 2023 Sport NB Lifetime Volunteer Achievement Award. Catherine is so deserving of this award she has given so much to the sport of curling in NB. We all thank you for your dedication, Catherine!

Bernie Savoie , Curling NB Past President, was elected to the Sport NB Board of Directors during their annual meeting in November. Bernie will be an excellent asset to this organization.

Our first Provincial Championship of the season, the 2024 BrokerLink Provincial Mixed Doubles, was held at the CWC. Congratulations to Team Adams/Robichaud who will represent NB at the Canadian Mixed Doubles being held right here in Fredericton this March. Check out the contest being sponsored by BrokerLink for your chance to win tickets to the Nationals. Our next provincial event will be the Simms Home Hardware U18's at Gage Golf & Curling Club Jan 4-7th.

Our 2022-23 Championship Banners are currently being presented at the various clubs throughout the province. Look out for your club's presentation. To see a short video of last years Champions click here: <https://curlingnb.com/our-champions/#/>

Congratulations to Team Burgess for winning the 2023 Everest Canadian Curling Club Championships. Well done! This is the second year in a row that the NB Women's Team has won!

We also want to wish our NB Senior Champions, Team Graham, and Team Kennedy good curling at the Canadian Senior Championships in Vernon BC. We will be cheering you on!

To all all Club Little Rock Directors, don't forget the deadline to register for the Hit Draw Tap program is Jan 18th. <https://curlingnb.com/hit-draw-tap/#/> This year's Provincial Finals will be on Mar 23rd during the Provincial Little Rocks Jamboree at the Aitken University Centre in Fredericton. It is also time for U15 Curlers to begin submitting their scores into the Curl Canada's Singles Curling App to qualify for the Atlantic U15 Rockfest event being held in Moncton in March.

A very successful Competition Coach Course was held in Woodstock Nov 17-19th with 10 candidates attending. On Dec 2 an Assistant Ice Tech course was attended by 11 participants in Bathurst. A Club Coach youth course for individuals working with youth and new curlers was held at Heather Curling Club on Dec 2nd with another scheduled for Jan 13th in Beresford. Contact John Corbin at nbcatechdir@gmail.com if your club would like to host a clinic or course. For Technical info go to the Programs Tab on the Curling NB Website. <https://curlingnb.com/#>

We have had a couple of 8 enders already this season. Always fun for those who score one! Curling Canada has a new process for requesting 8 ender awards directly via this link: [8ender form](#) Also send them along to Curl NB so we can post your picture.

On behalf of the Curling NB Board, I would like to wish everyone a Happy Holiday Season and hope you get to enjoy time with family and friends. We wish you all the very best in 2024!

Happy Holidays!

Gail Samaan, Curling NB President
