12.Event Details

12.1 Little Rock Jamboree #1

12.1.1 This event was started by a group of parents at the Moncton Beaver Club that recognized the demand for an additional Little Rock Jamboree. They secure sponsorship and have made this a top notch event. Given the rich tradition and history of this event this event will continue to be hosted in Moncton. NBCA Youth Committee will continue to provide oversight and guidance for this event in the best interest of NB Curling. It's called a Jamboree because at this age group the intent is not to over emphasize winning and losing but to emphasize participation. But put kids in an event and have parents hovering over its easy to see how this can take on a competitive edge. As an organization focused on Youth Development and making sure we don't turn kids away at such a young age this event challenges us to strike a balance. It must remain fun focused, despite any pressure to elevate it to something competitive.

12.1.2 There will be 3 divisions: All divisions are mixed gender.

U9 Half Sheet – these curlers will use the little plastic rocks.

U12 Full Sheet – Little Rocks - these curlers will use the little plastic rocks.

12.1.3 The Host Committee will be responsible for any prizes and awards to be presented.
